## NASHVILLE BUSINESS CELEBRATES 25TH ANNIVERSARY WITH SUMMER OF 25 DREAMS

*Dream Events & Catering celebrates milestone by giving back to local community.*

NASHVILLE, Tennessee - June 2017: A local catering and event company, Dream Events & Catering, is celebrating their 25th Anniversary a little different this summer. In lieu of a party, business owner Becki Annastas and team have launched the Summer of 25 Dreams, a summer-long community service initiative where they will be feeding, empowering, supporting, championing, creating and committing acts of dreaminess all over Middle Tennessee.

“Giving back has always been important to me,” says owner Becki Annastas, “but with a company & community as diverse as ours, partnering with a single cause didn’t feel as impactful. With the Summer of 25 Dreams, we were able to dream small and big as well as serve our community and our team.”

The Summer of 25 Dreams kicked off with Nashville’s Big Payback on May 3rd and continues through Labor Day Weekend. Their dreams include a donation drive, mentoring local students and handing out homeless kits as well as supporting various non-profit organizations including Next Door, Nashville Diaper Connection, Safe Room, Little Lady Big Cause, and Compost Nashville. Already, the generosity and enthusiasm in response to the campaign is inspiring. To date the company has collected more than 2000 items for their donation drive, volunteered nearly 100 hours, and impacted hundreds of people.

“We were just looking for a creative way to say thank you to the community that has supported us over the years,” continues Annastas, “The success so far already has us dreaming of future summers and ways we can continue this campaign.”

Dream Events & Catering is encouraging the Nashville community to join in their #Summerof25Dreams by donating items to their Dream Donation Drive, sharing the campaign on social media or by looking for ways to pay it forward this summer to causes and organization you care about. Follow their progress and learn how you can get involved:
